Dear Parents / Guardians,

Children's Day Celebrations 2021 (Postponed to Friday, 12 November 2021)

A poll was conducted with Clementians during the recent Home-based Learning, and a large majority of them have indicated their voices to postpone the Children's Day Celebrations as a post-examination activity instead of an online celebration on 7 October. **As such, the school will celebrate Children's Day on Friday, 12 November in adherence to the prevailing safe management measures.**

The theme for this year's celebrations is '**Rethinking Possibilities**' and on this day, Clementians are to come in their 'going out' clothes and covered shoes. The school has engaged Terra Singapore (Terra SG) to encourage Clementians to create positive social & environmental changes for the world we live in. Terra SG is an environmental social enterprise offering eco-education, upcycling workshops, team building programmes for schools and institutions.

This year, Clementians will be making their own Children's Day gift - an upcycled face mask holder made out of used juice / milk carton!

Clementians are required to bring the following items for the upcycling activity on Friday, 5 November:

1.	1 litre milk / juice carton (washed)	5.	a 30 cm ruler
2.	a pair of scissors	6.	a pen / pencil
3.	2 ice-cream sticks	7.	a ten-cent coin
4.	a rubber band		

The used milk / juice carton must be washed thoroughly before the activity. Please refer to this link to watch a step-by-step guide on how to clean and prepare the carton for the upcycling activity: <https://vimeo.com/612658403>

Other activities planned for the celebrations include fun table games during recess, as well as a class-based celebration during curriculum time. Each Clementian will also be treated to a pack of popcorn and a pack of cotton candy to be consumed during the class-based celebration. Clementians can look forward to enjoying special performances and participating in a game show facilitated by form teachers in their respective classrooms.

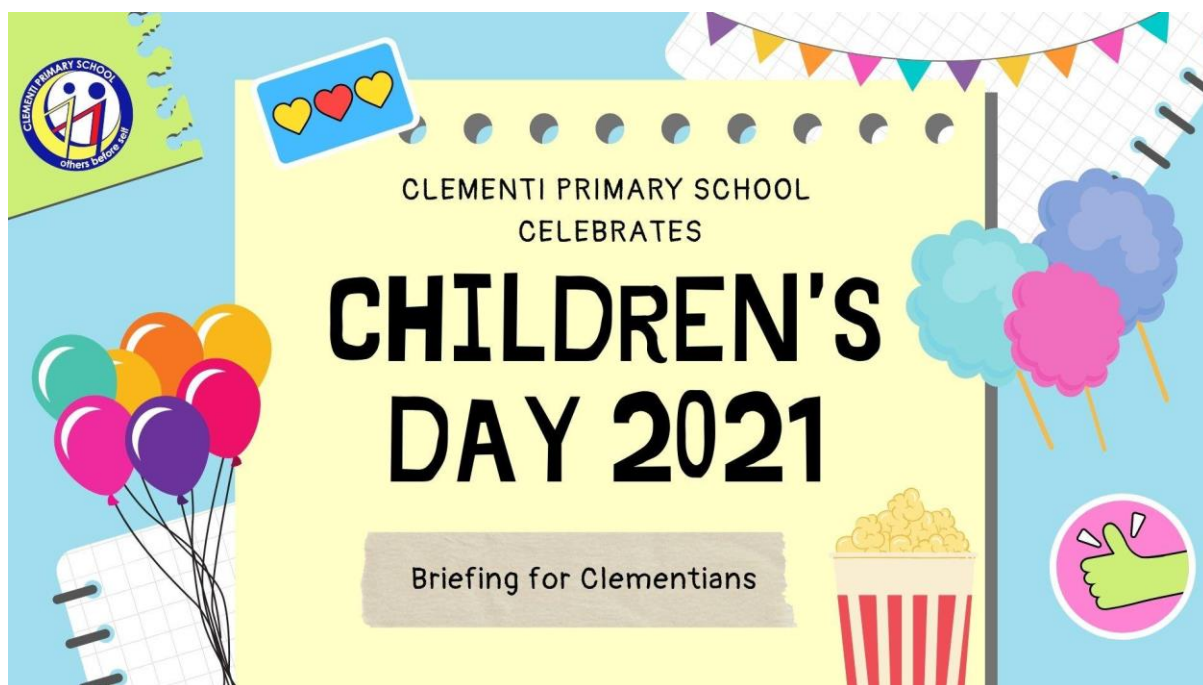

In line with this year's theme, the school is also organizing a **Children's Day Challenge** for all Clementians to take part in! As Clementians are allowed to come to school dressed in going out clothes and covered shoes, we would like Clementians to explore what upcycling is about and **create an upcycled accessory by reusing discarded objects or materials, to be worn on Friday, 12 November!** Exciting prizes will be up for grabs!

Please refer to Annex A for more details. We look forward to your support to make this Children's Day Celebrations a memorable event for our Clementians.

Thank you.

Yours sincerely,
Student Development Team

CHILDREN'S DAY APPEAL

Children's Day Appeal (CDA) is an annual nationwide campaign by Community Chest which rallies students to donate and help the less fortunate in the community.

100% of the donations raised in the appeal will go towards more than 80 social service agencies supported by Community Chest.

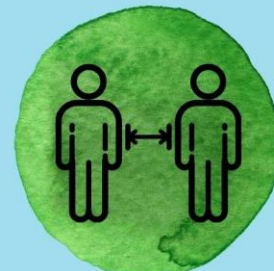

SAFE MANAGEMENT MEASURES

Put on your face mask at all times, except when you are eating or drinking.

Take care of your personal hygiene. Wash your hands regularly!

Maintain your social distance by staying at least 1 metre apart.
