1 September 2022

Dear Parents / Guardians,

Review of Canteen Food Pricing

1. In view of the rising costs of ingredients and utilities caused by inflation, disruption of the supply chain due to Covid-19 and the Ukraine war, school canteen stallholders have expressed they were facing challenges pertaining to business sustainability.
2. Canteen food prices need to reflect the underlying cost of the food items and allow the stallholders to earn a reasonable profit margin to sustain the business. As such, the school canteen committee has conducted a review of the canteen food prices.
3. With effect from 12 September 2022, the set meals (with a serving of fruit) served in the canteen will be adjusted to \$2.00 (medium portion) and \$2.20 (large portion). The prices of drinks and other non-set meal items will increase by \$0.10 each.
4. It is sufficient to set aside pocket money of \$2.50 for your child to purchase food during each recess. On days when your child is required to stay back in school, an additional \$2.50 can be set aside to provide for their lunch. To better support needy students, MOE will be increasing the meal subsidies for students under the MOE Financial Assistance Scheme (FAS).
5. We seek your understanding and look forward to your continued partnership in ensuring the holistic growth and development of all our Clementians.

Thank you.

Yours sincerely,
Mr Vimalenthiran Vijayasingam
Principal
